By subscribing to this software, you agree to the pricing terms and the seller's End User License Agreement (EULA). You also agree and acknowledge that AWS may, on your behalf, share information about this transaction (including your payment terms) with the respective seller, reseller or underlying provider, as applicable, in accordance with the [AWS Privacy Notice](#). AWS will issue invoices and collect payments from you on behalf of the seller through your AWS account. Your use of AWS services is subject to the [AWS Customer Agreement](#) or other agreement with AWS governing your use of such services. If you are receiving a private offer from a channel partner, you may click [here](#) (for CPPO transaction) or [here](#) (for SPPO transaction) for more information on the channel partner.

By subscribing to any product or service sold by Databricks ("Databricks Services") on the Amazon Web Services Marketplace, you agree to the terms located at databricks.com/mcsa (the "MCSA").

If you are entering into the MCSA on behalf of a company (such as your employer) or other legal entity, you represent and warrant that you are authorized to bind that entity to the MCSA, in which case "you," or "your" will refer to that entity (otherwise, such terms refer to you as an individual). If you do not have authority to bind your entity or do not agree with any provision of the MCSA, you are not permitted to subscribe to and may not use the Databricks Services.

"If you have agreed a negotiated version of the MCSA ("Negotiated MCSA") that (a) has not expired or been terminated, and (b) covers the Databricks Services, then the Negotiated MCSA will continue to govern your use of such Databricks Services on the Amazon Web Services Marketplace."
